WHY CHOOSE SEV7N

MCQs & Assessment Objective Style Questions:

Sharpen your understanding and test your knowledge through our rigorously designed question sets that simulate real exam conditions.

Power Points and Concept Videos:

Let learning be fun and interactive through visual aides that simplify even the most complex topics.

Full-Length Mock Papers:

Practicing under exam-like conditions can boost your confidence. Our mock papers are your perfect rehearsal before the grand performance.

Approach to Learning Videos:

How do you absorb what you learn? Our unique 'Approach to Learning' videos give you effective study hacks, time-management tips, and exam strategies.

Explanatory Videos:

Master the art of articulation. Learn how to frame your answers to fetch maximum marks through our 'How to Write a Good Answer' videos.

An Adaptive Learning Environment:

We meet you where you are in your academic journey and tailor our teaching methods to complement your unique learning style.

THE METHOD BEHIND THE MASTERY: OUR APPROACH

Personalized Learning Plans

We don't follow a standard playbook. Your lessons are tailored to suit your pace and learning style.

Applied Learning

We go beyond the syllabus. Learn how to use theoretical knowledge in real-world applications.

Assessment-Aligned Teaching

We know what examiners look for. Our teaching methods are synced with assessment objectives and criteria, ensuring you are always a step ahead.

#SUCCESS STORIES

" We were considering shifting from Cbse to IB. The practical guidance and advice by Shailey was most valuable. He gave us realistic advice that helped us evaluate our situation better. He went an extra mile to lend clarity. "

Shubra Puri

IBDP 2022 Batch

And we are still counting

" I have recently joined the coaching. I take economics and psychology, both teachers help me so much. I can definitely say I have improved drastically in economics after joining these classes. And my interest in psychology could never be higher than it is now. Thank you Mr. Shailey and team. "

INTRODUCTION TO THE PYP

01

Foundational Learning

The PYP nurtures young students as caring, active participants in a lifelong journey of learning.

Inquiry-Based Approach

An inquiry-based, transdisciplinary curriculum that builds conceptual understanding for children aged 3-12.

02

03

Student-Centered Education

Reflects the best of educational research, thought leadership, and experience derived from IB World Schools.

Future-Focused

Evolved to become a world leader in future-focused education, responding to the challenges and opportunities facing young students.

04

THE PYP PHILOSOPHY

Student Agency

Emphasizes that students are agents of their own learning and partners in the learning process.

Community of Learners

Prioritizes people and relationships to build a strong learning community.

Self-Efficacy

Fosters an individual's belief in their ability to take action and influence events in their learning community.

+91-9717229659
+91-7303473477

info@sev7n.co.in

THE PYP FRAMEWORK

01 Three Pillars

Centers on the learner, learning and teaching, and the learning community.

02 Transdisciplinary Themes

Six themes of global significance guide the inquiry to ensure learning is engaging, relevant, challenging, and significant.

03 Conceptual Understandings

Students develop knowledge, conceptual understandings, skills, and attributes of the IB Learner profile.

CURRICULUM STRUCTURE

01

Transdisciplinary Learning

Integrates subject areas to provide a more holistic learning experience.

02

Inquiry-Led Curriculum

Encourages curiosity and exploration, with students actively participating in their own learning.

03

Global Contexts

Learning experiences are framed within real-world contexts, making education relevant and globally oriented.

+91-7303473477

info@sev7n.co.in

CORE ELEMENTS OF THE PYP

01 Learner Profile

Aims to develop students who are inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective.

02 Approaches to Learning

Skills such as research, communication, and self-management are explicitly taught and practiced.

03 Assessment

Ongoing and integrated assessment allows students to act on constructive feedback and become self-regulated learners.

+91-7303473477

info@sev7n.co.in

THE PYP IN ACTION

Student Ownership

PYP learners take ownership of their learning, collaborating with teachers to deepen understanding.

Active Engagement

Through active engagement in ongoing assessment, students become effective, self-regulated learners.

Collaborative Learning

Emphasizes collaboration with peers and teachers to enhance learning experiences.

+91-9717229659
+91-7303473477

info@sev7n.co.in

SUBJECT GROUPS AND INQUIRY

Language

Develops communication skills and fosters a love for reading and writing.

Mathematics

Encourages logical reasoning and problem-solving skills.

Science

Instills curiosity and allows students to explore scientific concepts through inquiry.

Social Studies

Helps students understand societies and cultures, promoting international-mindedness.

+91-7303473477

info@sev7n.co.in

THE PYP EXHIBITION

Culminating Project

In the final year, students participate in the PYP exhibition, showcasing their understanding and skills.

Student-Led Inquiry

Counteract Negativity: They're a tool to fight back against self-doubt and fear.

Community Involvement

Encourages students to engage with the community and take action on local and global issues.

+91-9717229659
+91-7303473477

info@sev7n.co.in

PREPARING FOR THE FUTURE

01 Lifelong Learning

The PYP sets the foundation for continuous learning throughout the IB continuum.

02 Critical Thinking

Encourages students to think critically and challenge assumptions.

03 Global Citizenship

Prepares students to be responsible global citizens who can contribute to a more peaceful and sustainable world.

04 Readiness for MYP

Students leave the PYP well-prepared for the academic challenges of the Middle Years Programme.
